## THE ANNUAL MEETING

OF THE

GOVERNORS AND SUBSCRIBERS OF THE STRATFORD-  
UPON-AVON HOSPITAL

was held at THE HOSPITAL, STRATFORD-UPON-AVON,

ON SATURDAY, APRIL 29TH, 1939,

When the following Reports of the Committee of  
Management and the Medical Board were submitted.

---

### REPORT OF THE COMMITTEE OF MANAGEMENT FOR THE YEAR ENDED DECEMBER 31ST, 1938.

---

1. The Committee of Management begs to present the Annual Report (with Statement of Accounts) for the year ended December 31st, 1938.

2. Your Committee desires to place on record its deep regret on the death of Mr. Frederick Ballance, who was a generous supporter of this hospital, and for the past seven years the very able Chairman of the House Committee.

3. Five hundred and seventy-six In-Patients were admitted during the year, as compared with 594 the previous year.

The Out-Patients treated numbered 2,533, with 8,947 attendances, as compared with 2,232 Out-Patients and 8,196 attendances the previous year.

4. In view of the heavy demands upon the services of the Honorary Medical Staff, your Committee desires again to call special attention to No. 56 of the Hospital Rules, and extracts from the regulations adopted by the Medical Board, referring to an important matter.

RULE 56.—“ All persons contributing to the Hospital Maintenance Fund, Stratford-upon-Avon, shall not be charged for MAINTENANCE, but all, other than necessitous persons, shall continue to be liable for Medical and Surgical attendance as if they were treated at home.”

Extracts from Regulations adopted by the Medical Board :—

“ That there is no Resident Medical Officer. That the entire Honorary Staff—Physicians, Surgeons, Ophthalmic Surgeon, Dental Surgeons and Radiologist—give their services freely to all in accordance with the rules and regulations of the Hospital, and, therefore, they expect Rule 56 to be adhered to in all Departments—In, Out and Special.”

“ All Contributors to the Hospital Maintenance Fund, Stratford-upon-Avon, whose income does not exceed an average of £3 per week shall be entitled to the gratuitous services of the Honorary Medical Staff, but all above this amount should be inquired into and treated according to circumstances.”

“ The Medical Board suggests that all admission orders should vouch that the bearer has a claim upon the free services of the Honorary Staff.”

5. The Ordinary Receipts for the year amounted to £6,755 4s. 9d., as compared with £6,308 10s. 4d., last year : an increase of £446 14s. 5d.

The Ordinary Expenditure amounted to £7,104 16s. 6d., as compared with £6,550 0s. 5d. : an increase of £554 16s. 1d.

There is a balance of Total Expenditure over Total Income for the year of £155 7s. 8d.

6. The Collections for the Hospital made at the various places of worship amounted to £95 18s. 4d., as compared with £98 8s. 7d.

Whilst tendering its best thanks to all the Clergy and Ministers for their assistance, the Committee desires most strongly to urge that these collections should, as much as possible, be given as “ Free Gifts ” to the

Hospital Funds ; that Tickets should only be given to really poor persons who are not in a position to contribute regularly to the Hospital Maintenance Fund.

7. THE HOSPITAL MAINTENANCE FUND, STRATFORD-UPON-AVON.—Your Committee desires again to tender its best thanks to the Chairman and Members of the Maintenance Fund Committee—also to the Hon. Secretaries and Collectors—for their continued valuable and staunch support. The contributions from this Fund amounted to £1,951 7s. 6d. during the past year.

8. THE HOSPITAL LINEN LEAGUE.—The Committee of Management desires to express again its appreciation of the excellent assistance of the Linen League. At the eighteenth exhibition held in December last, 365 articles were presented to the Hospital, and £60 was received in donations to be spent on blankets, etc. With Mrs. W. R. West as President, and Miss Chadwick as Honorary Secretary, the Linen League is serving a most useful purpose in providing the whole of the linen equipment of the Hospital.

9. THE ANNUAL BALL.—The Annual Ball was held on January 22nd, 1938, the Lady Willoughby de Broke being the Lady Patroness, and it was a very successful function. The profit on the Ball amounted to £76 14s. 6d. and donations to the amount of £117 2s. 0d. were received, making a total of £193 16s. 6d. for the general funds.

10. DONATIONS AND GIFTS.—Your Committee desires to record its best thanks to :—

Mrs. Graham Rees-Mogg for her gift of £1,520, given during the year ; £1,000 of which is placed to the endowment of a bed to the memory of the late Mr. Gilbert Douty.

Mr. Richard Matthews for organising the Hospital Dance which realised £38 17s. 8d. for the funds of the Hospital.

Miss Eileen C. Earle for a donation of £25.

Mr. John Clements Ansell for a gift of £25 for the purchase of a Dressing Trolley for the Men's Ward.

The Hospital Mitchell Football Cup Committee for the sum of £11 10s. 0d., being the takings

at the final match last season. Since its presentation by Mr. J. J. Mitchell in 1923, this Cup has been the means of adding the sum of £244 13s. 11d. to the funds of the Hospital. The Avon Insurance Company Ltd. for again covering the insurance of the Motor Ambulance amounting to £9 2s. 1d. free of cost to the Hospital.

The following for organising performances in aid of the Hospital :—Miss Sylvia Atkinson, Mr. Randle Ayrton, Miss Leslie and The English Folk Dance and Song Society.

11. IMPROVEMENTS AND ALTERATIONS.—Through the generosity of the donors to the Special Appeal made in 1937, several important improvements have been carried out during the year. The main corridors have been laid with quarter-inch rubber, and up-to-date fittings have been installed in the lavatory blocks. All the wards are now equipped with new bedsteads and mattresses, and various alterations in the old theatre, etc. have been carried out for the convenience of nursing and treatment. The oil-burners for the heating and domestic supplies have been converted to the use of heavy oil, and this has already made a considerable decrease in the expenditure on oil-fuel. All these improvements, etc., have been carried out at a cost of £899 14s. 3d.

12. LEGACIES.—Your Committee desires to record its gratitude for the following legacies received during the year :—

The Executors of the late Evelyn Percy Gem—£100.

The James Henry Stephens Bequest per Lloyds Bank—£50.

13. The Committee desires to acknowledge the generosity of all who have sent presents of dressings, clothing, fruit, vegetables, books, and many other useful gifts for the patients and, in asking for a continuance of similar gifts, takes this opportunity of assuring the donors how much their kindness has been appreciated.

The Committee especially desires to thank the members of the Women's Institutes and others who

responded to the Matron's appeal for eggs. Owing to their kindness over 4,000 eggs have been preserved for winter use.

14. The Committee, in concluding this Report, tenders its best thanks to the Medical Staff for their skilful and gratuitous services; to the Chaplain, the Clergy, and all who have ministered to the patients at the Hospital; to the Matron and the Nursing Staff; the Administrative Staff, and to all who have in any way assisted in carrying on the work of the Institution.

Signed on behalf of the Committee,

ARCHIBALD FLOWER,

March 15th, 1939.

President.

X-RAY DEPARTMENT.—The very important work of this department again shows an increase ; 906 attendances were recorded during the year. For some time past the fact that the present X-Ray apparatus is not shock-proof has caused the Medical Board to very seriously consider the position. Mrs. Graham Rees-Mogg having kindly intimated that her donation of £500 should be appropriated for the X-Ray department, the Medical Board has, since the close of the year, recommended to the Committee of Management the absolute necessity of installing a shock-proof apparatus the cost of which is £1,120.

MASSAGE AND ELECTRICAL DEPARTMENT.—The work of this department continues to be of great service to the community. Five thousand one-hundred and fifty-one treatments were given during the year.

OPHTHALMIC DEPARTMENT.—The number of patients treated during the year was 328, involving 638 attendances.

DENTAL DEPARTMENT.—The number of cases treated in this department also shows an increase and much good work is being done. During the year 482 attendances were made, 249 dental operations were performed, and 38 patients were supplied with dentures.

GENERAL OUT-PATIENT DEPARTMENT.—During the year one thousand four hundred and ninety attendances were recorded in the general out-patient, casualty and dressings departments.

The Medical Board desires to record its sincere appreciation of the excellent work performed by the Matron and the Nursing Staff.

Signed on behalf of the Medical Board,
